APPRAISAL REFORMS

“It’s Always Been Important... *NOW IT’S FREE!*”

REALTOR® & Government Day is your opportunity to help shape laws that impact you. Through lobbying efforts at the state Capitol, you’ll meet state lawmakers and have a unique opportunity to advocate for issues that impact your business and the real estate industry in Wisconsin.

Our success as an industry requires activism and hinges on what we advocate together. In 2009, the WRA and its membership demonstrated an impressive show of REALTOR® strength by bringing in 385 REALTORS® from all around the state. With your support and advocacy, 2010 will be a day well remembered at the Capitol when key votes are taken. This year’s issues include:

- New appraiser regulations.
- Insuring commercial brokers receive commission earned and owed.
- Keeping the DNR and its secretary accountable.
- Reforming property taxes.
- Protecting shorelines and property rights.
- Protecting First Amendment rights in campaign reforms.
- Allowing landlords to properly screen tenants.
- Foreclosure reforms.
