RPAC

REALTORS® POLITICAL ACTION COMMITTEE

MEET A MAJOR INVESTOR

"I've been a REALTOR® for 16 years, but it wasn't until about four years ago that I really understood the importance of real estate advocacy. It started with one issue that directly affected a client's ability to sell their property. That experience opened my eyes to how legislation impacts homeowners and the important work the WRA does behind the scenes to protect property rights and our industry. It motivated me to get involved and become a stronger voice for the people we serve. Supporting RPAC isn't about political parties. It's about supporting candidates who understand real estate issues and the importance of homeownership. I've learned that when REALTORS® work together, we really can make a difference."
