

How does the WRA choose who to support?

The Wisconsin REALTORS® Association (WRA) carefully evaluated candidates for the upcoming 2026 fall election to identify those who most strongly support real estate-related issues.

Research

This comprehensive process involved researching voting records, reviewing campaign platforms, interviewing candidates and receiving recommendations from local REALTOR® associations.

Local Input

These recommendations were evaluated and endorsements were made by the trustees of the Wisconsin REALTORS® Association's REALTORS® Political Action Committee (RPAC).

RPAC Endorsement

Endorsements are based solely on candidates' stances on real estate issues regardless of political affiliation. We encourage every REALTOR® to vote for candidates who will champion your industry.
