MEMBER BENEFITS

An inside look at the benefits of a WRA membership.

SEPTEMBER 2020

MEMBER BENEFITS

A WRA membership benefits you and your business. Learn how the WRA can help you be successful in your career.

The WRA is invested in you

The WRA is at the core of Wisconsin real estate and has been for over 110 years. As one of the largest trade associations in Wisconsin with more than 16,000 members statewide, the WRA strives to help you enjoy a successful career by offering products and services such as a legal hotline, a legislative voice in the lawmaking process, professional development training and more.

Access to legal staff

As a WRA member, the WRA's full-time legal staff helps answer your real estate-related questions on the WRA Legal Hotline. Many members say membership "pays for itself with one hotline call."

You're not closed Sundays, and neither is the hotline. In addition to normal business hours, the hotline offers extended weekend hours to continue to serve you.
